Long Range Proximity Card Reader • 5375

ACCESS distance.

Application

HID's MaxiProx® Reader is ideal for installations incorporating parking control and long read range applications. The MaxiProx reader packages all the electronics in one rugged, attractive and easy-to-install housing.

Features

- ▶ Long read range distance (up to 6' with ProxPass®).
- ▶ Autotune allows read range to be maintained within four inches of metal.
- ▶ Wiegand, Clock-and-Data and selectable serial outputs available.
- ▶ "Parking hold" feature allows connection to a loop detector to ensure accurate detection of vehicles in parking lanes.
- ▶ Compatible with all HID cards and tags with formats up to 85 bits.
- ▶ Multicolor LED with internal or host control of the LED and beeper.
- ▶ Two MaxiProx units can operate one meter apart for "HI-LO" (truck and car) installations.
- ▶ Reader supervision signal for CASI-RUSCO® panels.

- Mounting** Mount on non-metallic surfaces for optimal read range performance.
- Audiovisual Indication** Audiovisual indication: when a proximity card is presented to the reader, the red LED flashes green and the beeper sounds. The multicolor LED and beeper can also be controlled individually by the host system.
- Diagnostics** On reader power-up, an internal self-test routine checks and verifies the setup configuration, determines the internal or external control of the LED and beeper, and initializes the reader's operation.
- Indoor/outdoor Design** Sealed in a rugged, weatherized polycarbonate enclosure designed to withstand harsh environments as well as provide a high degree of vandal resistance for reliable performance anywhere.
- Easily Interfaced** Interfaces with all existing Wiegand, Clock-and-Data, RS-232, RS-422 and RS-485 protocol access control systems. The serial interfaces support baud rates of 1200, 2400, 4800, and 9600 baud.
- Security** Includes a tamper switch to provide electronic notification of reader tampering. Recognizes card formats up to 85 bits.
- Warranty** Lifetime warranty against defects in materials and workmanship (see complete sales policy for details).
- Part Number Description** Base Part No.: 5375
